

To the FCC:

My husband Gary and I want to urge you not to expand LPFM stations so that they would take priority over FM stations. We listen to K-LOVE radio, and do not want to have it be forced off the air. This Christian station is very important to us and many of our Christian friends here in Omaha, giving us much-needed positive encouragement in our daily lives, and enriching our spiritual wisdom. There is no other radio station like it, and without it there would be no other place to tune in for the encouragement and support people NEED in their daily struggles.

Thank you.

Sincerely,
Barbara Repair
